Chu: To Amanda, Alvin and Alice for their loving support.

Peretto: To Lenore who always supported me.

## Contents

Preface	ix
<b>1 Introduction</b>	<b>1</b>
1.1 Motivation, background and goal	1
1.2 Innovation, knowledge, and the Industrial Revolution	2
1.3 Schumpeterian growth theory and its evolution	3
1.4 Endogenous market structure and endogenous growth	3
1.5 Relation to Unified Growth Theory	4
1.6 Empirical evidence on the Great Acceleration and the Great Divergence	5
1.7 Contribution of the book	10
1.8 Structure of the book	12
<b>2 Schumpeterian growth with creative accumulation</b>	<b>15</b>
2.1 Motivation, background and goal	15
2.2 The model	17
2.3 Intermediate goods and in-house R&D	19
2.4 Economic growth	22
2.5 Summary	25
<b>3 Entry and product variety expansion</b>	<b>27</b>
3.1 Motivation, background and goal	27
3.2 The model	28
3.3 Entrants	29
3.4 Economic growth in general equilibrium	30
3.5 Tractable semi-endogenous growth	33
3.6 Summary	35
<b>4 Schumpeterian growth with endogenous market structure</b>	<b>37</b>
4.1 Motivation, background and goal	37

4.2	The model	39
4.3	Economic growth	39
4.4	Dynamics of firm size	40
4.5	Patent policy and economic growth	43
4.6	Summary	44
<b>5</b>	<b>Schumpeterian growth with endogenous takeoff</b>	<b>47</b>
5.1	Motivation, background and goal	47
5.2	The model: three phases of growth	49
5.3	Dynamics from stagnation to growth	53
5.4	Summary	55
5.5	Appendix: an alternative regime of the Schumpeterian model	55
<b>6</b>	<b>Government: rent-seeking vs. productive</b>	<b>59</b>
6.1	Motivation, background and goal	59
6.2	A Schumpeterian model with rent-seeking government	62
6.3	Rent-seeking government	64
6.4	Rent-seeking government and endogenous takeoff	65
6.5	Productive government spending	72
6.6	Summary	74
<b>7</b>	<b>Corporate governance</b>	<b>77</b>
7.1	Motivation, background and goal	77
7.2	A Schumpeterian model with corporate governance	79
7.3	Corporate governance and endogenous takeoff	82
7.4	Summary	88
<b>8</b>	<b>Status-seeking culture</b>	<b>91</b>
8.1	Motivation, background and goal	91
8.2	A Schumpeterian model with status-seeking culture	93
8.3	Dynamics of the consumption-output ratio	96
8.4	Status-seeking culture and the interest rate	97
8.5	Status-seeking culture and endogenous takeoff	98
8.6	Dynamics from stagnation to growth	102
8.7	Empirical evidence	103
8.8	Summary	103
<b>9</b>	<b>Structural change</b>	<b>105</b>
9.1	Motivation, background and goal	105
9.2	A Schumpeterian model with structural change	107
9.3	Intermediate goods and in-house R&D	109

*Contents*

vii

9.4	Entrants	110
9.5	Aggregate production function	110
9.6	Labor allocation	110
9.7	Agricultural revolution and endogenous takeoff	111
9.8	International trade and structural change	119
9.9	Summary	122
<b>10</b>	<b>Natural resources</b>	<b>125</b>
10.1	Motivation, background and goal	125
10.2	A Schumpeterian model with natural resources	128
10.3	Aggregate production function and factors allocation	131
10.4	Natural resources and endogenous takeoff	132
10.5	Dynamic effects of the discovery of natural resources	137
10.6	Resource curse with agricultural trade	139
10.7	Summary	140
<b>11</b>	<b>Heterogeneous households and income inequality</b>	<b>143</b>
11.1	Motivation, background and goal	143
11.2	A Schumpeterian model with heterogeneous households	145
11.3	Dynamics of the aggregate economy	147
11.4	The wealth distribution	150
11.5	The income distribution	151
11.6	From inequality to growth	154
11.7	Summary	156
<b>12</b>	<b>Endogenous fertility and demographic transition I</b>	<b>159</b>
12.1	Motivation, background and goal	159
12.2	A Schumpeterian model with endogenous fertility	161
12.3	Fertility dynamics in the industrial era	165
12.4	Demographic transition from stagnation to growth	166
12.5	Summary	171
<b>13</b>	<b>Endogenous fertility and demographic transition II</b>	<b>173</b>
13.1	Motivation, background and goal	173
13.2	The modified model	175
13.3	The fertility transition	178
13.4	Discussion	182
13.5	A failure to launch scenario	183
13.6	Summary	184
<b>14</b>	<b>Diseases, economic growth and industrial takeoff</b>	<b>185</b>

14.1	Motivation, background and goal	185
14.2	Effects of the Black Death	187
14.3	From stagnation to growth	190
14.4	The long echo of the Black Death	192
14.5	Summary	194
14.6	Appendix	195
15	<b>Conclusion</b>	197
	<b>References</b>	199
