June 2026

VITA

V. JOSEPH HOTZ

CITIZENSHIP:

United States

ADDRESS:

Harris School of Public Policy
University of Chicago
1307 E 60th Street
Chicago, IL 60637
E-mail: hotz@uchicago.edu
v.joseph.hotz@duke.edu
Website: public.econ.duke.edu/~vjh3

EDUCATION:

Ph.D., Economics, University of Wisconsin-Madison, 1980
M.S., Economics, University of Wisconsin-Madison, 1977
B.A., University of Notre Dame, *summa cum laude*, 1972

AWARDS AND HONORS:

Inaugural Fellow (elected), Southern Economic Association, 2023
Fellow (elected), International Association of Applied Econometrics, 2020
Fellow (elected), Society of Labor Economists, 2018
Colin Clark Lecture (invited), Econometric Society Australasian Meeting, 2011
Fellow (elected), Econometric Society, 2003
Who's Who in America, 1993-Present
Phi Beta Kappa, 1972
Borden Freshman Prize (University of Notre Dame), 1969

AREAS OF SPECIALIZATION:

Population Economics
Labor Economics
Applied Econometrics

PROFESSIONAL EXPERIENCE:

ACADEMIC POSITONS:

2024-Present	Research Professor, Harris School of Public Policy, University of Chicago.
2024-Present	Arts and Sciences Distinguished Professor of Economics and Public Policy Emeritus, Department of Economics and Sanford School of Public Policy, Duke University.
2022-2024	Arts and Sciences Distinguished Professor of Economics and Public Policy, Department

	of Economics (primary) and Sanford School of Public Policy (secondary), Duke University.
2008-2021	Arts and Sciences Distinguished Professor of Economics, Department of Economics, Duke University.
2007-2008	Professor, Department of Economics, Duke University.
1997-2008	Professor, Department of Economics, University of California, Los Angeles.
2000-2004	Chair, Department of Economics, University of California, Los Angeles.
1997-2003	Professor (by courtesy), Department of Policy Studies, School of Public Policy and Social Research, University of California, Los Angeles.
1992-1997	Professor, Harris School of Public Policy, University of Chicago.
1989	Acting Dean, Harris School of Public Policy, University of Chicago.
1988-1992	Associate Professor (with tenure), Harris School of Public Policy, University of Chicago.
1980-1984	Assistant Professor of Economics, Tepper School of Business (formerly Graduate School of Industrial Administration), Carnegie Mellon University.
1977-1979	Lecturer, Tepper School of Business (formerly Graduate School of Industrial Administration), Carnegie Mellon University.

RESEARCH POSITIONS:

2024-present	Principal Investigator, Center on Health Aging Behaviors and Longitudinal InvestigationS (CHABLIS), University of Chicago.
2023-present	Principal Investigator, Mid-Life Health in the Rural South: Risk and Resilience, University of Vermont, Duke University, and University of Michigan.
2021-present	Principal Investigator, Great Smoky Mountains Study of Rural Aging, University of Vermont, Duke University, NORC, and University of Michigan.
2020-present	Principal Investigator, Collaborative for Innovation in Data & Measurement in Aging (CIDMA), University of Chicago Center on Healthy Aging Behaviors and Longitudinal Investigations (CHABLIS).
2013-present	Principal Investigator, Add Health Parent Study, Duke University and University of North Carolina at Chapel Hill.
2008-2009	Interim Director, Duke Population Research Institute, Duke University.
1998-2007	Founder and Principal Investigator, California Census Research Data Center, UCLA.
1990-1995	Director, Population Research Center, NORC and the University of Chicago.
1985-1988	Director, Program in Quantitative Economic Analysis/NORC, University of Chicago.

RESEARCH AFFILIATIONS:

2025-Present	Research Fellow, RFBerlin (ROCKWOOL Foundation Berlin – Institute for the Economy and the Future of Work)
2025-Present	Scholar, Becker-Friedman Institute, University of Chicago.
2024-Present	Research Associate, UChicago Health Lab, University of Chicago.

2022-Present	Faculty Affiliate, Center for Child and Family Policy (CCFP), Duke University.
2007-Present	External Affiliate, Duke Population Research Institute (DuPRI), Duke University.
1997-Present	Research Associate, National Bureau of Economic Research.
2000-Present	Research Affiliate, Institute for Research on Poverty, University of Wisconsin.
2003-Present	Research Affiliate, National Poverty Center, Gerald R. Ford School of Public Policy, University of Michigan.
2008-Present	Research Fellow, Institute for the Study of Labor (IZA).
2010-Present	Member, Family Inequality Network, Human Capital and Economic Opportunity Global Working Group (HCEO), University of Chicago.
1998-2008	Research Affiliate, California Center for Population Research, University of California, Los Angeles.
1997-2003	Consultant, RAND.
1997-2003	National Research Associate, Joint Center for Poverty Research, Northwestern University/University of Chicago.
1996-1997	Faculty Associate, Joint Center for Poverty Research, Northwestern University/University of Chicago.
1989-1992	Research Associate, Institute for Research on Poverty, University of Wisconsin-Madison.
1986-1997	Faculty Associate, Committee on Demographic Training, University of Chicago.
1986-1997	Research Associate, Population Research Center, NORC and University of Chicago.
1982-1995	Research Associate, Economics Research Center/NORC, University of Chicago.

VISITING POSITONS:

2020-2021	Visiting Scholar, Becker Friedman Institute for Economics, University of Chicago.
2020-2021	Visiting Professor, Harris School of Public Policy, University of Chicago.
2011	Visiting Scholar, Cowles Foundation, Yale University.
2010-2011	Visiting Scholar, Russell Sage Foundation.
2005	Visiting Professor, Department of Economics, Johns Hopkins University.
2005	Visiting Professor, Department of Economics, Northwestern University.
1995-1996	Visiting Scholar, RAND.
1987-1988	Visiting Assistant Professor, Committee on Public Policy Studies, University of Chicago.
1984-1987	Visiting Assistant Professor of Economics, Department of Economics, University of Chicago.
1981-1982	Visiting Fellow, Economics Research Center/NORC, University of Chicago.

PROFESSIONAL SERVICE ACTIVITIES:

EDITORIAL:

2024-Present	Associate Editor, *Harvard Data Science Review*.
2023-2025	Guest Editor, *Harvard Data Science Review*, Special Issue on NBER Conference on Data Privacy and the Conduct of Applied Research
2016-2025	Editorial Board, *Demography*.
2008-Present	Editorial Board, *Advances in Life Course Research*.
2017-2020	Associate Editor, *Journal of Human Capital*.
2012-2014	Founding Co-Editor, *IZA Journal of Labor Economics*.
2007-2009	Deputy Editor, *Demography*.
1990-1994	Co-Editor, *Journal of Labor Economics*.
1988-1991	Co-Editor, *Journal of Human Resources*.

PROFESSIONAL ASSOCIATIONS:

2017-2021	Chair, Committee on Population Statistics, Population Association of America.
2017-2021	Member, Government and Public Affairs Committee, Population Association of America.
2013-2014	President, Southern Economic Association.
2011-2017	Member, Committee on Population Statistics, Population Association of America.
1994-1996	President, Association of Population Centers.
1994-1996	Vice-President, Association of Population Centers.
1987	Chairman, Local Arrangements Committee, Population Association of America, Annual Meetings, Chicago.
1986	Vice-Chairman, Program Committee for North American Meetings of the Econometric Society.
1986	Session Organizer and Chairman, Population Association of America, Annual Meeting.

SCIENTIFIC REVIEW:

1997-2001	Member, Social Science and Population Peer Review Panel, National Institutes of Health.
1987	Special Member of National Institute of Health Grant Peer Review Panel.
1984	Member of Special National Institute of Health Grant Peer Review Panel.

EXPERT PANELS:

2024-2025	Chair, Committee on Federal Policy Impacts on Child Poverty, Board on Children. Youth, and Families and Committee on National Statistics, National Academies of Science, Engineering & Medicine.

2022-2023	Member, Panel on A Roadmap for Disclosure Avoidance in the Survey of Income and Program Participation (SIPP), Committee on National Statistics, National Academies of Science, Engineering & Medicine.
2022	Co-Chair, Planning Committee, Workshop on Disclosure Avoidance and the 2020 Census Demographic and Housing Characteristics Data, Committee on National Statistics, National Academies of Science, Engineering & Medicine.
2020-2022	Co-Chair, Experts Group on Data Disclosure Avoidance, Committee on National Statistics, National Academies of Science, Engineering & Medicine.
2019-2020	Co-Chair, Planning Committee, Workshop on 2020 Census Data Products: Data Needs and Privacy Considerations, National Academies of Science, Engineering & Medicine.
2011-2013	Member, Panel on Measuring Subjective Well-Being, National Research Council.
2010	Chair, Steering Committee, Workshop on Evaluating Databases for Estimating Health Insurance Coverage for Children, National Research Council.
2006-2009	Member, Panel on the Census Bureau's Reengineered Survey of Income and Program Participation, National Research Council.
2002-2006	Member, Panel on Hispanics in the United States, National Academy of Sciences.
2002-2006	Member, Panel on Confidential Data Access for Research Purposes, National Academy of Sciences.
1998-2001	Member, Panel on Data and Methods for Measuring the Effects of Changes in Social Welfare Programs, Committee on National Statistics, National Academy of Sciences-National Research Council.
1997-1998	Chair, National Advisory Panel for Research Uses of Administrative Data, Joint Center for Poverty Research, Northwestern University/University of Chicago.
1995-1998	Member, Panel on Performance Measures and Data for Public Health Performance Partnership Grants, National Academy of Sciences.
1990-1993	Member, Panel to Evaluate the Survey of Income and Program Participation, National Academy of Sciences.

UNIVERSIITY COMMITTEES:

2022	Member, Arts & Sciences Dean Search Committee, Duke University.
2010-2024	Member, Board of Directors, Triangle Research Data Center.
2019-2022	Member, Standing Committee for Misconduct in Research.
2011-2014	Member, Academic Programs Committee, Duke University.
2009-2012	Member, Distinguished Professor Committee, Trinity College of Arts & Sciences, Duke University.
2001-2003	Chair, Law School Dean Review Committee, UCLA.
1999-2000	Member, Vice-Provost for Research Search Committee, UCLA.
1994-1995	Chair, Dean Search Committee, Harris School of Public Policy, University of Chicago.
1989-1990	Founder and Chair, Social Science and Public Policy Computing Center, University of

Chicago.

1989-1990 Member, Dean Search Committee, Graduate School of Public Policy Studies, University of Chicago.

ADVISORY COMMITTEES:

2021-2025 Member, Board of Scientific Counselors, National Center for Health Statistics

2019-2024 Member, Steering Committee for Southeastern Micro Labor Workshop, Federal Reserve Bank of Atlanta.

2022 Member, Oversight Committee for the Development of a New Cohort of the National Longitudinal Study of Youth, U.S. Bureau of Labor Statistics and NORC.

2006-2012 Member, Committee on National Statistics, National Academy of Science.

2008-2012 Member, American Statistical Association's Survey Research Methods (ASA/SRM) Working Group on Technical Aspects of the Survey of Income and Program Participation (SIPP), 2008-2015.

2004-2006 Chair, Panel Study of Income Dynamics Board of Overseers.

1998-2006 Member, Panel Study of Income Dynamics Board of Overseers.

1998-2001 Member, H. John Heinz III School of Public Policy and Management Advisory Board, Carnegie Mellon University.

1998-2001 Member, Scientific Advisory Board, Alan Guttmacher Institute.

1992-1998 Member, Research Advisory Committee, Department of Social Services, State of California.

1990-1994 Member, U.S. Secretary of Health and Human Services Advisory Panel on JOBS.

1987-1991 Member, Massachusetts Employment and Training Choices Program Evaluation Advisory Panel.

PRESENTATIONS at UNIVERSITIES & RESEARCH ORGANIZATIONS:

Presented Papers at University of Arizona; Arizona State University; Bocconi University; University of British Columbia; Brown University; University of California, Berkeley; University of California, Davis; University of California, Irvine; University of California, Los Angeles; University of California, Riverside; University of California, San Diego; University of California, Santa Barbara; Collegio Carlos Alberto; Carnegie Mellon University; University of Chicago; Columbia University; Cornell University; Duke University; University of Georgia; Harvard University; The Hoover Institution; University of Houston; University of Illinois, Chicago; University of Iowa; Koç University; Institute for Labor Studies (IZA); Johns Hopkins University; University of Kentucky; London School of Economics and Political Science; Massachusetts Institute of Technology; McMaster University; University of Miami; University of Michigan; University of North Carolina, Chapel Hill; University of North Carolina, Greensboro; New York University; Northwestern University; University of Notre Dame; OECD; Ohio State University; University of Pennsylvania; Penn State University, University of Pittsburgh; Princeton University; RAND; Rice University; University of Rochester; University of Southern California; Stanford University; Syracuse University; Texas A&M University; University of Toronto; University of Uppsala, University of Virginia; University College London; Washington University, St. Louis; University of Washington; University of Western Ontario; University of Wisconsin; and Yale University.

PROFESSIONAL JOURNALS REFEREED:

American Economic Review; *Demography*; *Econometrica*; *Economic Development and Cultural Change*; *Economic Inquiry*; *International Economic Review*; *Journal of the American Statistical Association*; *Journal of Development Economics*; *Journal of Econometrics*; *Journal of Human Resources*; *Journal of Labor Economics*; *Journal of Political Economy*; *National Science Foundation*; *Quarterly Journal of Economics*; *Labour Economics*; *Proceedings of the National Academy of Sciences*; *Science*; *Sociological Methodology*.

GRANTS AND CONTRACTS:

2025-2031 Principal Investigator (with David Meltzer), Center for Health Aging Behaviors and Longitudinal InvestigationS (CHABLIS), P30 grant from the National Institute on Aging.

2023-2028 Principal Investigator (with Kathleen Cagney, William Copeland, Naomi N. Duke), "Mid-Life Health in the Rural South: Risk and Resilience," R01 grant from the National Institute on Aging.

2023-2028 Principal Investigator (with Naomi N. Duke, Kathleen Mullan Harris, Krista M. Perreira), "Add Health Parent Study: A Biosocial Resource for the Multigenerational Study of Alzheimer's Disease and Alzheimer's Disease-Related Dementias (AD/ADRD)," R01 grant from the National Institute on Aging.

2022-2027 Co- Investigator, "Tracing the Health Consequences of Family Support," U01 grant from the National Institute on Aging, Emily M. Wiemers, PI.

2021-2026 Principal Investigator (with William Copeland, Kathleen Cagney & Kenneth Dodge), "Great Smoky Mountains Study of Rural Aging," R01 grant from the National Institute on Aging.

2022-2025 Principal Investigator (with Ruobin Gong & Ian Schmutte), "Conducting Applied Research with Privacy-Protected Data: Exploring Methods and Approaches," Grant from the Alfred P. Sloan Foundation to NBER.

2024-2025 Co-Principal Investigator, Center for Health Aging Behaviors and Longitudinal InvestigationS (CHABLIS), P30 grant from the National Institute on Aging.

2020-2025 Principal Investigator, Core D: External Research Resources Support and Dissemination Core in "Center for Population Health and Aging," P30 grant from National Institute on Aging to Duke University, Scott Lynch, P.I.

2021-2023 Co-Investigator, "Children's Help to Aging Parents in the Face of Health and Economic Challenges," R03 grant from the National Institute on Aging, Emily M. Wiemers, PI.

2018-2019 Principal Investigator (with Angela O'Rand), Supplement to "Center for Population Health and Aging," P30 grant from National Institute on Aging to Duke University.

2013-2019 Principal Investigator (with Kathleen Mullan Harris), "Add Health Parent Study, Phase I," Health," R01 grant from National Institute on Aging to Duke University.

2012-2018 Co-Principal Investigator (with Judith Seltzer, Robert Schoeni & Emily Wiemers), "Intergenerational Family Transfer of Time and Money," Subproject in P01 grant from National Institute on Aging to University of Michigan entitled, "Economic Status, Health, & Well-Being Over the Life Course and Across Generations," Vicki Freedman, PI.

2014-2019 Principal Investigator (with Kathleen Mullan Harris), Core C: External Innovative Network, in "Center for Population Health and Aging," P30 grant from the National Institute on Aging to Duke University, Angela O'Rand, PI.

2015-2017 Principal Investigator (with L. Kristin Newby), "Designing Consent Protocols to Link Sensitive Health and Administrative Records in Social Science Surveys," grant from MURDOCK Study to Duke University.

2015-2017 Principal Investigator (with Candice Odgers & Avshalom Caspi), "Assessing Stress, Well-Being & Connectedness across Three Generations using Mobile Technologies," small grant from P30 grant from the National Institute on Aging to Duke University, Angela O'Rand, PI.

2013-2014 Principal Investigator (with Candice Odgers), "Advancing the study of human development with 21st century technologies," grant from Initiative on Education and Human Development, Duke University.

2011-2016 Co-Principal Investigator (with Jerome Reiter *et al.*), "Triangle Census Research Network," grant from National Science Foundation to Duke University.

2012-2014 Principal Investigator (with Kathleen Mullan Harris), "Locating the Parents of Add Health," R21 grant from National Institute on Aging to University of North Carolina, Chapel Hill.

2006-2012 Co-Principal Investigator (with Duncan Thomas *et al.*), "Preferences and Economic Decision-Making," R01 grant from the National Institute of Child Health and Human Development to Duke University.

2004-2009 Principal Investigator (with John Karl Scholz & Charles Mullin), "Tax Policy and Low-Wage Labor Markets: New Work on Employment, Effectiveness and Administration," Grant from National Science Foundation to National Bureau of Economic Research (NBER).

2003-2008 Co-Principal Investigator (with S. Philip Morgan *et al.*), "Designing New Models for Explaining Family Change and Variation," Contract from National Institute of Child Health and Human Development to Duke/UCLA.

2002-2008 Principal Investigator (with Janet Currie), "Accidents Will Happen? Assessing Unintentional Injury and Death Rates among U.S. Children and the Influences of Income, Income Inequality, and Race and Ethnicity" Grant from the Russell Sage Foundation to UCLA (CCPR).

2005-2007 Co-Principal Investigator (with Duncan Thomas *et al.*), "Measuring Preferences in Social Science Experiments," R21 grant from the National Institute of Child Health and Human Development to UCLA (CCPR).

1998-2006 Principal Investigator (with Robert Mare), "California Census Research Data Center." Grant from National Science Foundation to UCLA.

2002-2005 Principal Investigator (with Charles Mullin & John Karl Scholz), "Earned Income Tax Credit (EITC) in California," Grant from State of California, Department of Social Services to UCLA.

2000-2005 Principal Investigator (with Andrew Hildreth), "Comparing Earnings and Welfare Participation Data from the SIPP and State Administrative Records: Matched Data for California," Grant from U.S. HHS/ASPE to UCLA.

1998-2003 Principal Investigator (with Robert Mare), "California Census Research Data Center." Grant from California Policy Research Center, Office of the President, University of California to UCLA.

1998-2003 Co-Principal Investigator (with Jacob Klerman), "Statewide CalWORKs Evaluation." Contract from State of California, Department of Social Services to Rand Corp.

2000-2002 Principal Investigator (with John Karl Scholz), "The Effects of the Work Pays Demonstration, EITC Expansions and the Business Cycle on the Labor Market Behavior of the California Caseload." Grant from U.S. HHS/ASPE to Institute for Research on Poverty, University of Wisconsin-Madison, and UCLA.

2000-2002 Co-Principal Investigator (with Jacob Klerman & Amy Cox), "Employed Former Recipients' Use of Income Support Programs." Grant from California Policy Research Center, Office of the President, University of California to Rand Corp.

1996-2002 Principal Investigator (with M. Rebecca Kilburn), "Impacts of Child Care Regulations." R01 grant from National Institute for Child Health and Human Development to the Rand Corp. and UCLA.

1994-2000 Principal Investigator (with Seth Sanders), "The Effects of Teenage and Illegitimate Births." R01 grant from National Institute for Child Health and Human Development to NORC/University of Chicago.

1995-1999 Co-Principal Investigator (with Lingxin Hao & Anne Pebley), "Support and Child Development in Single Mother Families," R01 grant from National Institute for Child Health and Human Development to Johns Hopkins University and NBER.

1994-1995 Principal Investigator, Small Instrumentation Grant from National Institute for Child Health and Human Development to NORC/University of Chicago.

1994-1995 Principal Investigator, "Social and Economic Analysis of Demographic Change," P30 center grant from National Institute for Child Health and Human Development to NORC/University of Chicago.

1991-1994 Principal Investigator (with Marta Tienda), Grant from the Rockefeller Foundation to the Irving B. Harris School of Public Policy, University of Chicago.

1992-1993 Principal Investigator, "Economic Analysis of the Family and Demographic Change," P30 center grant from National Institute for Child Health and Human Development to NORC/University of Chicago.

1992-1993 Principal Investigator, Small Instrumentation Grant from National Institute for Child Health and Human Development to NORC/University of Chicago.

1991-1993 Co-Principal Investigator (Robert Willis, PI), "Implications of Marital Dissolution," R01 grant from the National Institute of Child Health and Human Development to NORC/University of Chicago.

1992 Principal Investigator, "Demography," T32 grant from National Institute for Child Health and Human Development to NORC/University of Chicago.

1991-1992 Principal Investigator, Small Instrumentation Grant from National Institute for Child Health and Human Development to NORC/University of Chicago.

1990-1992 Principal Investigator (with Marta Tienda), Grant from the Rockefeller Foundation to the Irving B. Harris School of Public Policy, University of Chicago.

1989-1991 Principal Investigator, Grant from U.S. HHS/ASPE to the Institute for Research on Poverty, University of Wisconsin-Madison.

1986-1991 Co-Principal Investigator (with James Heckman) "Evaluation of the National JTPA Program," Contract from U.S. Department of Labor to NORC/University of Chicago.

1984-1986 Co-Principal Investigator (with James Heckman, Burton Singer & Jan Hoem) "Timing and Spacing of Births," R01 grant from the National Institute for Child Health and Human Development to NORC/University of Chicago.

1982-1986 Principal Investigator, New Investigator Award, R23 grant from the National Institute for Child Health and Human Development to Carnegie Mellon University.

1977-1978 Recipient, Dissertation Grant, from U.S. Department of Labor, Employment and Training Administration to the University of Wisconsin-Madison.

WORKING PAPERS:

"Intergenerational Differences and Similarities in Economic Well-being, Family Context, Health, and Life Experiences: Data from the Add Health and Add Health Parent Studies." (with Kathleen Mullan Harris, Todd Jensen, Naomi N. Duke, Krista M. Perreira) unpublished manuscript, May 2026, revise and resubmit at *Journal of Gerontology: Social Sciences*.

"Who Helps During a Crisis? Enhancing the Health and Retirement Study's Coverage of Time and Money Help. (with I-Fen Lin, Judith A. Seltzer, Janecca A. Chin, & Emily E. Wiemers) unpublished manuscript, October 2025, revise and resubmit at *Demography*.

"Disparities in Parents' Morbidity and Mortality and their Intergenerational Consequences for U.S. Families." (with Emily Wiemers, HwaJung Choi, Robert Schoeni & Judith Seltzer), unpublished manuscript, July 2025.

"Rurality: A Comparison of Geographic Classifications and People's Perceptions," (with Sarah M. Kwiatek, Liang Cai, Paige Brann, Kathleen A. Cagney, William E. Copeland, and Rick H. Hoyle), May 2025 (under review).

"Changes in Financial and Time Transfers with Parents over 25 Years: Evidence from the 1988 and 2013 PSID," (with Emily Wiemers, Judith Seltzer, Sung Park, Robert Schoeni and Heeju Sohn), August 2023.

"Parenthood, Family Friendly Workplaces, and the Gender Gaps in Early Work Careers," (with Arizo Karimi & Per Johansson), unpublished manuscript, November 2022.

"The Consequences of Disabilities for Well-Being," (with Emily Wiemers, Scott Abrahams & Anna Wiersma Strauss), May 2022.

"Racial Differences in Effects of Parental Income & Wealth on Financing of Children's College Attendance, College Quality & Graduation." (with Joshua Rasmussen & Emily Wiemers). Unpublished manuscript. March 2022.

"Measuring Intergenerational Correlations in Neighborhood Context: Evidence from the 2013 PSID Roster & Transfers Data," (with Emily Wiemers, Robert Schoeni & Judith Seltzer), preliminary draft, September 2019.

"Resources, Composition and Family Decision-Making," (with Michel Dalton & Duncan Thomas), Unpublished manuscript, June 2016.

"Examining the Effect of the Earned Income Tax Credit on the Labor Market Participation of Families on Welfare," (with Charles Mullin & John Karl Scholz), Unpublished manuscript, August 2010.

"Attitudes to Risk, Time Preferences and Socio-Economic Status: Experimental and Survey Evidence," (with Hector Conroy, Catherine Eckel, Amar Hamoudi, Cathleen Johnson, Cesar Martinelli, Susan Parker, Luis Rubalcava, Seth Sanders, Duncan Thomas & Graciela Teruel), Unpublished manuscript, October 2006.

"What happened to the Income of Former Welfare Recipients during the 1990s? Evidence from California using Matched SIPP – Administrative Data," (with Andrew Hildreth) Conference paper, June 2006.

"Trends in EITC Take-Up and Receipt for California's Welfare Population, 1992-1999," (with Charles Mullin & John Karl Scholz), Unpublished Manuscript, August 2003.

"Regulating Child Care: The Effects of State Regulations on Child Care Demand and Its Cost," (with M. Rebecca Kilburn), March 1996.

"Estimating the Demand for Child Care and Child Care Costs: Should We Ignore Families with Non-Working Mothers?" (with M. Rebecca Kilburn), February 1992.

"A Statistical Portrait of Child Care Utilization in the U.S. by Working and Non-Working Mothers," (with M. Rebecca Kilburn), February 1992.

"The Economics of Family Planning," (with Robert Miller), May 1987.

"Risk Sharing and the Union Status of Firms: A Study of the Construction Industry," January 1987.

"Estimating Systems of Nonlinear Equations with Limited Dependent Variables," (with Robert Avery), Unpublished Manuscript, November 1985.

"Estimation of Multiple Indicator Multiple Cause Models with Discrete Indicators," (with Robert Avery), Unpublished Manuscript, March 1985.

PROJECT REPORTS:

Measuring Stress, Well-Being & Connectedness across Two Generations with Mobile Technologies: A Feasibility Study, Final Report. (with C. Odgers, A. Caspi, N. Jokerst, M. Brooke, B. Fuemmeler, K. Oi, K.M. Harris, Y.C. Yang, Joy Piontak & V. Slanchev) Duke Population Research Institute (DUPRI) and Duke Center for Population Health and Aging (CPHA), June 20, 2017.

Program Take-Up Among CalWORKs Leavers: Medi-Cal, Food Stamps, and the EITC: An Evaluation of Participation in Work-Support Programs by CalWORKs Leavers, (with J. Klerman, A. Cox, C. Mullin & J. K. Scholz), Rand WP #730, December 2009.

The Earned Income Tax Credit: Its Impact on California's Low-Income and Welfare Populations, (with J. K. Scholz), Final Report to California Franchise Tax Board, September 2005.

An Assessment of Available Data, and Data Needs for Studying Intra- and Inter-Generational Family Relationships and Behavior, (with S. Bianchi, V. J. Evans, K. McGarry & J. Seltzer), California Center for Population Research Working Paper CCPR-020-07, June 2007.

Welfare Reform in California: Early Results from the Impact Analysis, (with J. Klerman, E. Reardon, A. Cox, D. Farley, S. Haider, G. Imbens & R. Schoeni), Report MR-1358-CDSS, RAND, 2002.

Welfare Reform in California: Design of the Impact Analysis, (with J. Klerman, G. Imbens, P. Steinberg, E. Reardon, P. Ebener & J. Hawes-Dawson), Report MR-1266.0-CDSS, RAND, 2000.

EITC Eligibility, Participation and Compliance Rates for AFDC Households: Evidence from the California Caseload, (with C. Hill, C. Mullin & J. K. Scholz), Final Report to the U.S. Department of Health and Human Services, California Department of Social Services and California Franchise Tax Board, April 1999.

"Designing an Evaluation of Nonexperimental Methods in the National JTPA Study," chapter 7 in *The Design of the National JTPA Study*, Abt Associates, Inc., Washington, DC, November 1990.

The Demand for Child Care and Child Care Costs: Should We Ignore Families with Non- Working Mothers? (with R. Kilburn), Final Report submitted to the Institute for Research on Poverty, December 1991.

The Effects of Child Care Costs and Policies on Women's Participation in the Labor Market: What Do We Know? Report to the U.S. Department of Labor, July 1988.

On the Use of Nonexperimental Methods of Estimating the Impact of Manpower Training Programs: Re-Evaluating the Evaluations, (with J. Heckman), Final Report submitted to the U.S. Department of Labor, May 1987.

"Consumption Behavior During the Gary Income Maintenance Experiment," (with C. Metcalf) in *Final Report of the Gary Income Maintenance Experiment*, U.S. Department of Health, Education and Welfare, 1979, 733-754.

"Family Expenditures in the Gary Income Maintenance Experiment," (with C. Metcalf) in *The Gary Income Maintenance Experiment Initial Findings Report*, Indiana University, 1977, 576-600.

COMMITTEE REPORTS:

Administrative Data for Policy-Relevant Research: Assessment of Current Utility and Recommendations for Development, A Report of the Advisory Panel on Research Uses of Administrative Data of the Northwestern University/University of Chicago Joint Center for Poverty Research, V. Joseph Hotz, Robert Goerge, Julie Balzekas & Francis Margolin, editors, January 1998.

The Future of the Social Science Research Institute at Duke: A Report of the SSRI Planning Committee, V. Joseph Hotz, Chair, June 25, 2012.
